

Gen-Eye **SPECTRA**TM

Video Inspection System

- 15" LCD Monitor.
- DVD Recorder.
- 160 GB hard drive for recording up to 290 hours of inspection.
- VIK keyboard for typing on-screen text.
- On-screen distance counter, time and date.
- AC/DC power capabilities.
- Built-in microphone for voice recording.
- Variable light intensity control.
- Two year warranty.

The Gen-Eye SpectraTM features a state of the art DVD recorder and a high resolution 15" LCD monitor that offers a large, crisp, clear picture of the pipeline. With this system, the operator records the video of the inspection directly onto a DVD-R disc in real-time or on the built-in hard drive. The control unit is neatly condensed into an easy-to-carry rugged case.

The Gen-Eye Spectra incorporates a 160 GB built-in hard drive for recording up to 290 hours of inspections. It also features a Virtually Indestructible Keyboard (VIK) for typing on-screen text. The system includes on-screen distance counter, date and time stamp, AC/DC power capabilities, built-in microphone for voice recording, and a variable light intensity control.
